UI/UX Design
Relational Databases

PERSONAL SKILLS
Written and Verbal Communication
Working individually and with a team
Detail Oriented
Works well under pressure
Time Management
Workload prioritization
Accepts constructive criticism

Amy Mummert
SOFTWARE ENGINEER

EXPERIENCE

Planned Career Break
2016-2024
An intentional pause to focus on full-time caregiving, household management, and continuing education.

- Started a freelance photography business, Pebble Bridge Photo & Design.
- Performed tasks for Amazon Mechanical Turk and Upwork capturing images for human intelligence recognition.
- Returned to higher education to obtain my bachelors degree in computer science.

Washington County Sheriff's Office
Deputy Sheriff
2009-2016

After graduating from Oregon State Police Academy in 2009, I was a first responder to the various needs of the citizens of Washington County. Enforcing traffic and criminal law and responding to calls involving crime and civil needs. I performed investigation, rendered aid, and made arrests as necessary. I earned a Life Saving award for saving the life of a citizen in a mental health crisis.

PROGRAMMING SKILLS

Python	Expo	Javascript
Javascript	NextJS	NodeJS
HTML/CSS	React / React-Native	ExpressJS
C / C#	Typescript	Docker
